

## **TVLGA18 Board Meeting June 18, 2024**

**Present** President Meri Coles, VP Jena Feil, Secretary Laura Imboden, Member-at-Large Patti Miller

### **Topic for discussion - Guest Policy**

We reviewed the policy as stated in the Handbook. After there was some confusion several weeks ago, the board decided to revise it with the additional wording in the second paragraph.

### **9. Guest Policy**

A guest may sign in through league's assigned pro to play on a Tuesday league day, **but not compete** in the game. There will be a blind draw to replace her score. A guest could play during the league's season a total of three times as long as there is space available for that play day.

\*A guest will follow the USGA's Equitable Stroke Control as a maximum score of NET double bogey on a hole if the guest has an established handicap. If the guest does not have a handicap then "10" is the maximum score on any hole or they may pick up sooner since their score is not relevant for the game.\*

### **Other Topics for Discussion**

At future meetings we will review other items in preparation for the rest of the season and next year including 1. possible use of combo tees 2. Member/Member possibilities given new restrictions 3. Give Back Day possibilities 4. Other as needed.

Respectfully submitted,

Laura Imboden, Secretary TVLGA18
